Learning Hub

What would you like to learn today?

Learning Hub is Prisma Health's Learning Management System, a tool to personalize learning by showing you what courses to take, skills to learn and career development paths to explore. With just a few clicks, team members can log in and determine what training to do and become more productive. You can explore a library of learning topics or register to take a course, and all of your learning will be recorded on one Prisma Health transcript.

2019 Annual Mandatory Training

Monday, June 17– Monday, Sept.30

Training is critical to keeping our patients safe and caring for each other. All team members, physicians, volunteers and contract employees are required to complete annual mandatory training by Monday, Sept. 30. All training must be completed using Learning Hub.

Prisma Health—Midlands

- Allows you to view your Prisma Health transcript

The screenshot shows the Prisma Health Learning Hub interface. At the top, there's a header with the Prisma Health logo and a greeting: "Hi John! What would you like to learn today?". Below the header, there's a navigation bar with "1 Completion" and "0 Hours". The main content area is divided into sections: "Your Subjects" (listing "UAT Sample (for Testing Purposes)"), "Your Language(s)", and "Transcript View". The "Transcript View" section has a tabbed interface with "1 PAST DUE", "2 DUE SOON", and "4 ASSIGNED / NO DUE DATE". The "PAST DUE" tab is selected, showing a list of training items: "UAT Sample Early Heart Attack Care" (Registered / Past Due - 3 days past due), "Amanda General Recurring Certification" (in Progress - Due on 1/15/2020), and "UAT Sample Fire Safety and Prevention" (Registered - Due on 1/15/2020). The "DUE SOON" tab is also visible. The "ASSIGNED / NO DUE DATE" tab shows "UAT Sample Asapic Medication". To the right of the transcript view, there's a "Continue Learning" section with several course cards: "UAT Sample Asapic Medication", "UAT Sample CLABSI - Central Line", "UAT Sample Hand Hygiene and PPE", and "Chanda ILT Training".
