

Greenwich Hospital

O.R. R.N Residency Training

Proposal August 2016

Purpose:

To provide education and clinical skills to RN's who wish to launch a successful career in the perioperative arena.

Greenwich Hospital

O.R. R.N Residency Training

Objectives for the program:

The program will aim to promote job satisfaction within the perioperative department.

Assist in perioperative nurse retention, and address the national shortage of operating room nurses.

Objectives for Periop Nurse Residents:

- Understand principles of aseptic technique and it's clinical implications
- Describe all the components of the perioperative nurse role when functioning as a circulating nurse and as a scrub person
- Discuss safety concerns in the perioperative setting
- Describe patient care needs during the intra-operative phase of surgical experience
- Explain the process of disinfection and sterilization
- Apply the knowledge and skills learned in clinical practice
- Demonstrate confidence when performing the role of a perioperative nurse

Program Format

This is a 10 month comprehensive perioperative program that consist of:

3 months/450 hours of classroom didactic

3 months/450 hours of laboratory and skills validation

2 months/300 hours of looping

2 months/600 hours of clinical rotation with a preceptor
