RE: Your application dated 3/11/2019 regarding study number 2019006: Creation of Educational Material for Patient Families and Caregivers of End-of-Life Patients During the End-of Life Treatment Process (GH Nursing)

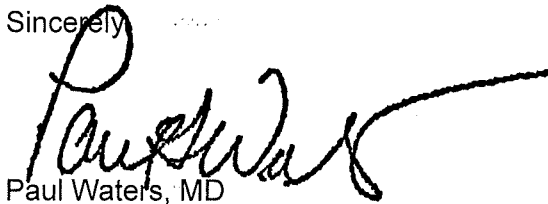

Dear Ms Curto:

I have reviewed your application for the new nursing research study listed above. This study qualifies as exempt from further review under category 2: survey procedures.

You are free to conduct your study without further reporting to Greenwich Hospital IRB.

Thank you for keeping the board informed of your activities.

Sincerely,

Paul Waters, MD  
Chairman, Greenwich Hospital IRB
