### Activity Documentation Evaluation Form

Title of Education Activity: Family Presence during CPR

Dates Presented: 5/24/2018

Please rank the items/instructors using the numerical scale below.

	5	4	3	2	1	0
	High Agree				Low Disagree	Not Applicable
Name of Speaker	Knowledgeable of the subject	Organized in presenting	Effective in content delivery	Teaching methods / aids used effectively		
Denise Scherer DNP, MHA, RN, CNOR	4	4	4	4		

The Purpose/Goal(s) of this activity are: *To promote patient and family centered care through the correct use of new policy, family facilitator role, and evaluation form.*

To what extent were you able to achieve the following objectives: Use the scale above to respond by placing a number in the box alongside the statement.

Objectives	Score
Apply YNHH policy guidelines regarding family presence during CPR	4
Discuss the role of the family facilitator	4
Demonstrate correct use of family facilitator role	4
Identify methods to provide family support	4
Did the objectives relate to the purpose/goal(s) of the education activity?	<input checked="" type="radio"/> Yes <input type="radio"/> No

COMMENTS: I learned so much, important topic Thanks for all you do for nurses to learn!
