POLICY

Equal Employment Opportunity

YNHHS provides equal employment opportunities to all employees and applicants for employment without regard to race, color, religion, sex, sexual orientation, gender, gender identity or expression, national origin, age, ancestry, marital status, disability, genetic information, and/or veteran status. In addition to federal law requirements, YNHHS complies with applicable state and local laws governing nondiscrimination in employment in every location in which the organization has facilities.

The policy applies to all terms and conditions of employment, including recruiting, hiring, placement, promotion, termination, layoff, recall, transfer, leaves of absence, compensation, and training.

YNHHS expressly prohibits any form of workplace harassment based on race, color, religion, sex, sexual orientation, gender, gender identity or expression, national origin, age, ancestry, marital status, disability, genetic information, and/or veteran status. Any form of workplace harassment as defined in this policy may result in discipline up to and including termination.
