Greenwich Hospital IRB (*IRB Name - applicant organization or external IRB*) has policies, procedures, or bylaws designating consistent membership and involvement as a voting member by at least one nurse in the governing body responsible for the protection of human subjects. Our records indicate that the majority of our meetings have either a nurse member or nurse alternate member present and in voting status.

Greenwich Hospital IRB (*IRB Name*) may also be asked to determine research to be exempt from IRB Review. Exempt determinations are made by an IRB Board member.
