

# Heart Health & Stroke Fair

Wednesday, February 6, 2019

Meet cardiologists, nurses, pharmacists, integrative medicine specialists, dietitians and other Greenwich Hospital staff. This is your chance to ask questions about prevention, treatment and medication in casual, one-on-one conversations.

Pre-registration is required to receive a free cholesterol screening that **measures total cholesterol, HDL, LDL, triglyceride and glucose levels, as well as blood pressure and weight.**

Available to the first 70 callers.

## Fasting Required

Screenings can be scheduled between 7:30am - 10:00am.

To register for screenings: Call 888-305-9253

## Fair begins

8:00am - 10:30am

Noble Conference Center

Registration not required to attend the health fair.

For more information, call **203-863-4444.**
