

Are you interested in being a Mentor?

We are starting a Mentor Program here at Greenwich with the goal of providing all nurses with support and guidance throughout their nursing career.

What is the Role of a Mentor? What is not?

What are qualifications of an effective Mentor?

What tools and resources are available to mentors?

What is the commitment of a mentor?

Sign up and attend one of the mentoring workshops listed below.

Your participation in this workshop will provide you with the information you need to participate in this exciting program.

Attendance at a Mentoring Workshop should be completed prior to Mentoring.
