Learning Hub

[Bookmark Page](#) 

Learning Hub is Prisma Health's Learning Management System, a tool to personalize learning by showing you what courses to take, skills to learn and career development paths to explore.

With just a few clicks, team members can log in and determine what training to do and become more productive. You can explore a library of learning topics or register to take a course, and all of your learning will be recorded on one Prisma Health transcript.

Log in to Learning Hub

No username or password is required when you are connected to the Prisma Health network.

AHEC

[Bookmark Page](#) 

Area Health Education Center (AHEC) offers online courses. As a member of the consortium, team members can take advantage of this opportunity to obtain continuing education credit. An enrollment key (password) is required to register for classes and changes quarterly.

AHEC Online Course Enrollment Key

The current code is *care*.

To register for courses visit <https://upstateahec.org/> .

If you experience issues, contact the AHEC support department at help@upstateahec.org .

For more information on AHEC U online continuing courses, [click here](#).
